Overview

Ullman Sails Whitsunday is a full service loft offering an extensive range of services including new sails and repairs plus marine trimming work. Due to an increase in work commitments, we are currently looking to employ a Qualified Sailmaker to join our team for an immediate start.

Responsibilities

- Production of new sails including measuring and fitting to vessels
- Repairs, re-cuts, hardware upgrades & furling system installation on sails

The successful applicant must:

- Be a qualified sailmaker with experience in the use of industrial sewing machines
- Be able to work independently or as part of a team
- Demonstrate strong interpersonal & communications skills
- Posses a positive attitude with excellent attention to detail
- Ideally would be an active sailor who enjoys the sport!

Employment is full time based but a casual position is negotiable depending on applicants experience and availability.
